ABOUT HOPE IMPACTS

Hope Impacts is honored to have you participate in our 3rd annual tournament at Weston Lakes Golf Club. Thank you for your involvement and kind generosity!

Since February 2014, Hope Impacts has helped over 80 people get off the streets. We believe that walking beside people and building authentic relationships makes a lasting impression on their lives. Hope Impacts networks with caring people and local organizations to meet the needs of the "Least of These" in our community. Our partnership with The 25 Group has expanded our reach into the global community as well.

Often people in crisis have given up all hope that their circumstances can improve. We provide necessary assistance to help them manage their current needs by giving ongoing personal support, encouragement, and prayer that can change their lives forever. Please consider attending our outreach events and/or volunteering your time, talents, and resources to improve the life of someone in your neighborhood. Together we can make the invisible visible, and give a voice to the voiceless.

Join our Facebook page and visit us online at HopelImpacts.net to learn more and get involved today!

We are blessed to be a blessing,

TINA HATCHER
Ex. Director, Hope Impacts
